

ICDC 8 Conference Schedule

	Sunday Sept 13	Monday Sept 14	Tuesday Sept 15	Wednesday Sept 16	Thursday Sept 17	Friday Sept 18	Saturday Sept 19				
		Plenary Session 1	Plenary Session 2	Plenary Session 4	Plenary Session 3 - Part 1	Plenary Session 3 - Part 2					
07:30		Registration						Side events and Breakout groups			
08:00			Registration	Registration	Registration	Registration					
08:30		Welcome Address	Keynote 3	Keynote 5	Keynote 7	Keynote 8					
09:00		Keynote 1	Process and regional studies	Methodological advances	Future changes and carbon management	Parallel Session 1	Parallel Session 2		Parallel Session 3		
09:30		Past carbon variations including the fate of fossil fuel emissions									
10:00		Postersession and Coffee	Postersession and Coffee	Postersession and Coffee	Postersession and Coffee	coffee					
10:30											
11:00		Past carbon variations including the fate of fossil fuel emissions	Process and regional studies	Methodological advances	Future changes and carbon management	Polar Oceans	Terrestrial Ecosystem Processes		Regional Budgets		
11:30		Past carbon variations including the fate of fossil fuel emissions	Process and regional studies	Methodological advances	Future changes and carbon management						
12:00		Lunch	Lunch	Lunch	Lunch	Polar Oceans	Terrestrial Ecosystem Processes		Regional Budgets		
12:30											
13:00		Lunch	Lunch	Lunch	Lunch	Lunch					
13:30											
14:00		Keynote 2	Keynote 4	Keynote 6	Excursion	Keynote 9					
14:30	Past carbon variations including the fate of fossil fuel emissions	Process and regional studies	Methodological advances	Future changes and carbon management							
15:00	Registration	Postersession and Coffee	Postersession and Coffee	Postersession and Coffee		Postersession and Coffee					
15:30						Past carbon variations including the fate of fossil fuel emissions	Process and regional studies	Methodological advances	Future changes and carbon management		
16:00									Future changes and carbon management		
16:30	Past carbon variations including the fate of fossil fuel emissions	Process and regional studies	Methodological advances	Methodological advances		Postersession and Coffee					
17:00						Postersession and Coffee					
17:30	Side events and Breakout groups	Side events and Breakout groups	Side events and Breakout groups	Side events and Breakout groups		Future changes and carbon management					
18:00						Future changes and carbon management					
18:30	Ice Breaker					Final Plenary Discussion					
19:00					Final Plenary Discussion						
19:30					Final Plenary Discussion						
20:00					Final Plenary Discussion						
20:30					Final Plenary Discussion						
21:00					Final Plenary Discussion						
21:30	Final Plenary Discussion										
22:00	Final Plenary Discussion			Conference Dinner	Final Plenary Discussion
